

You will see the following Microsoft icon.

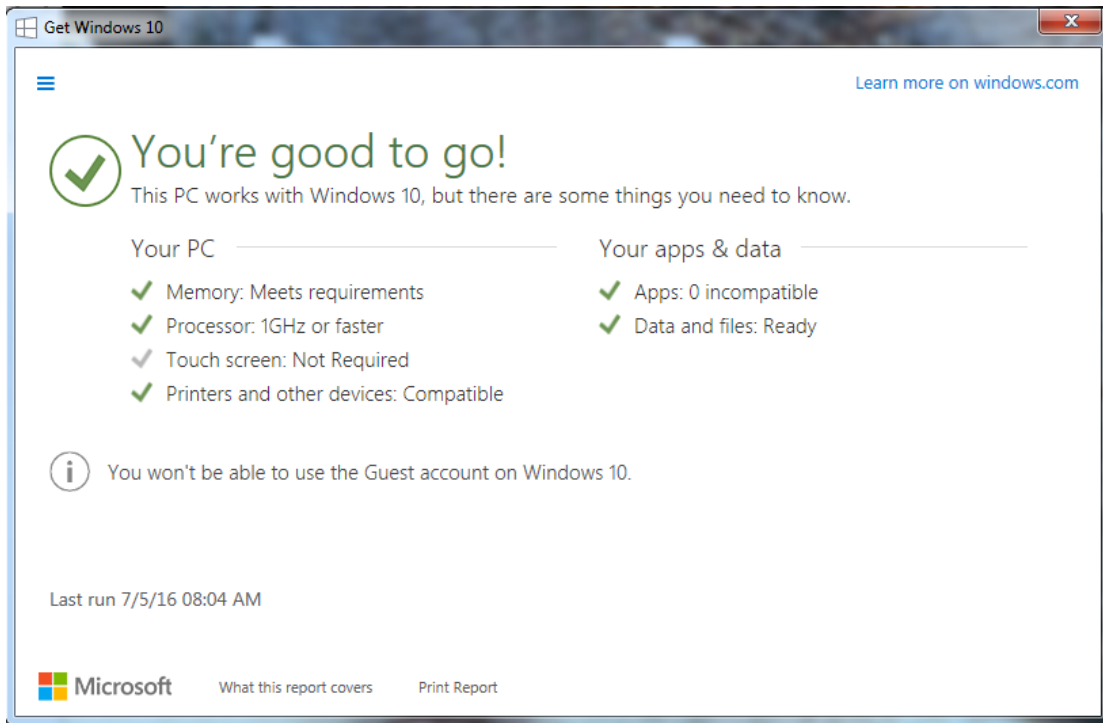

Click the icon, and the following screen appears. In the Top left of the screen, click on the 3 bars.

Click on "Check your PC".

Results of your test will appear inside the Window.

The screenshot shows a window titled "Get Windows 10" with a close button in the top right corner. The main content area features a large green checkmark icon and the text "You're good to go!". Below this, a subtitle reads "This PC works with Windows 10, but there are some things you need to know." The report is organized into two columns: "Your PC" and "Your apps & data".

Your PC

- ✓ Memory: Meets requirements
- ✓ Processor: 1GHz or faster
- ✓ Touch screen: Not Required
- ✓ Printers and other devices: Compatible

Your apps & data

- ✓ Apps: 0 incompatible
- ✓ Data and files: Ready

An information icon (i) is followed by the text: "You won't be able to use the Guest account on Windows 10."

At the bottom left, it says "Last run 7/5/16 08:04 AM". The Microsoft logo is in the bottom left corner, with links for "What this report covers" and "Print Report" to its right.
